MOPH Safety Guidelines

Travel policy:

1. The Ministry of Public Health continuously checks and monitors travelers returning from abroad in order to maintain public health. Note that, travelers may be subject to random testing upon arrival in Qatar.
2. Non-residents of **Qatar must register via the pre-registration** platform on www.ehteraz.gov.qa website and upload all relevant documents such as PCR test result, vaccine certificate and other relevant documents at least 3 days before arrival. Although pre-registration is optional for citizens and residents of Qatar, the Ministry of Public Health recommends that all individuals entering Qatar pre-register to ensure the best experience upon arrival in Qatar.
3. Travelers should download the **Ehteraz mobile application** and activate it on their mobile phones using a local or international SIM card.
4. All passengers must sign an Undertaking and [Acknowledgement Form](#) before arriving in Qatar. The form is available on the Ministry of Public Health website, pre-registration platform website (www.ehteraz.gov.qa) and airline online booking form. Citizens and residents who are fully vaccinated inside the State of Qatar arriving from one of the Green List countries are exempt from this requirement.
5. Travelers must take a PCR test result at a medical center accredited by the health authorities in the country of departure. The test result must be negative and must be done 72 hours before arrival in Qatar.
6. Travelers should check the quarantine policy for detailed guidance according to the country of arrival classification.
7. Travelers recovered from COVID-19 in any GCC country must provide an official certificate confirming the previous COVID-19 infection and vaccination status.
8. Unvaccinated travelers or those who have not completed the necessary vaccination doses will undergo hotel quarantine for 7 days
